25X1 1. Company-sized units of Soviet troops have been placed in all Bulgarian
25X1 regiments, allegedly to strengthen the Bulgarian units and bolster their
25X1 morale. Soviet instructors attached to Bulgarian units are conducting
maneuvers in western and southwestern Bulgaria.

2. The Bulgarian class of 1929 was called up in April instead of Autumn
1950 as scheduled. Conscripts were permitted to complete their school
examinations before reporting for duty.
